

THE O'SHEA RANCH IS SOLD TO HALL

Tract of 140 Acres on West Side Brings \$21,000; All in Cultivation.

Vinton, Tex., March 18.—J. L. O'Shea has sold his alfalfa ranch on the west side to Norwood Hall, who has taken possession. The place consists of 140 acres, all under cultivation. It has a house, outbuildings and all modern machinery and is two miles from the station. The consideration was \$21,000.

Mr. O'Shea and family have moved to El Paso. Mr. O'Shea still retains 10 acres of valley land.

A light rain fell here last night, followed by a decided drop in the temperature this morning.

URGES COLLEGE CADETS TO ATTEND SUMMER ENCAMPMENT

State College, N. M., March 21.—Col. R. J. Wilson, superintendent of the New Mexico Military Institute at Roswell, N. M., addressed the cadets of the institution of the New Mexico State college at an assembly on Thursday morning. The speaker was exceedingly interesting and the college cadets were well pleased with the talk.

Moving pictures, showing the different stages in the manufacture of Westinghouse electric goods, were shown in Bailey hall Wednesday evening, under the auspices of the Engineering club. A large number of students and faculty were in attendance, having postponed their program.

HEAVY CRIMINAL DOCKET IN OTERO

Court Which Opens Monday May Continue For Three Weeks.

Alamogordo, N. M., March 21.—Charges of murder, homicide, force stealing, bank robbery, embezzlement, selling liquor unlawfully and statutory offenses are among those which will be tried at the spring term of court that will be convened here next Monday. There will be many important cases to be presented for the consideration of the grand jury. The new indictment, together with the cases now on docket, will furnish enough work to keep the court engaged two, and possibly three weeks.

The sheriff's department has made the returns on the jury venire. The grand jury will be selected from the following venire: Cecilio Lopez, E. E. Vanelec, Harvey Holman, W. N. Fleck, U. S. Wood, John Gray, W. W. Mason, Leonardo Gallegos, K. Moore, W. B. Potter, Ed. Kighly, D. S. Morrison, Lester Donaghe, Frank Allen, J. A. Tine, W. B. Parratt, T. W. Jones, Charles E. Benney, Albert Sandovar, Benjamin Apek, John Klonfer, The talemans are: D. M. Gentry, Charles Rodex, Irvin Nichols, Roe Masten, A. J. Goepe, Ralph Fisher, W. N. Fleck, Orogrande, and J. E. Moore, of Alamogordo, were members of the grand jury which was so highly commended by the court for its excellent work in November, 1913. Mr. Fleck was foreman of the jury.

The venire for the petit jury is as follows: Fred Crosby, Elias Calles, Carmen Baca, James J. Dale, G. V. Clayton, Augustin Duran, John Snyder, B. E. Schiburg, T. G. Torres, U. N. Moore, J. L. Parity, J. R. Bonine, James W. Bennett, Owen Prather, J. F. Wason, D. A. Harris, Charles S. Ryan, Gregorio Torres, Jesus Chavez, John Kary, J. B. Daugherty, W. E. Bates, Frank Falcone, Harvey Holden. The talemans are: Dick Dillard, Lee Williams, G. V. Korvick, George N. Daugherty, Hipolito Flores, W. F. Thompson, Andrew Prude, Fred Gutierrez, Guadalupe Ornela, John H. McArthur.

Have Daily Paper Available.
From now until Tuesday afternoon, April 4, Alamogordo will have of the "Bond Bulletin" and its space devoted principally to matters concerning the proposed bond issue of \$200,000, which will be voted upon on April 4. The paper will be issued from the camp of the Otero County News, which will have the cooperation and assistance of the board of town trustees. The trustees feel that the issue is so important that every effort must be made to present the case, on its merits, for the voters to decide.

F. J. Williams, general manager of the national Lumber Co., a trading company, has sent a Western Union telegram from Kansas City, to put the brand of falsehood on a story which has been put in circulation to affect the vote. The telegram is addressed to J. H. McRae, mayor, and reads as follows: "You are at liberty to state to the public that the National Lumber and Creosoting company and its subsidiary organizations have acquired the right to log Alamogordo Lumber company's timber land in the Sacramento mountains and operate the mill at Alamogordo, and will begin extensive operations at the earliest day possible, and I am now obtaining equipment."

PIRATE HOLDS SHIP FOR CASH

Captain of Matoppo Tells How German Captured Ship With 56 Men.

(Continued From Page One.)

ann and ordered him to produce his papers and to fasten me. Then he asked for the wireless and, locking me in my cabin, he went to the wireless station and covered the two operators before they could send out any message. Before he returned to my cabin, with the wireless operators, who smashed the wireless apparatus. He locked the wireless operators up with me and let the second engineer go out to tell the other officers and members of the crew what had happened and that he was in charge.

Runnacked Ship, Seized Guns.
"Schiller then started on a round of the ship, always keeping everybody at a distance and covered with his gun. He ransacked every cabin. He found two revolvers and one automatic which he carried off, together with the ammunition he could find. All money he found he also stuffed in his pockets as well as all papers relating to the ship and its cargo.

Exchanged Cups of Coffee.
"In the morning he joined me again in the cabin and ordered breakfast sent in. When the coffee was served he pushed his cup over to me and took mine. Safety first, captain, you take my cup," he said. That didn't look so very foolish, did it? Then he ordered me on the bridge with him and gave orders where he wanted us to go. He wanted us to keep down the coast and close enough for him to pick a landing place. When he had made up his mind where to land, he ordered the crew brought up to launch a lifeboat for him and picked the three to go with him. Then he picked out his hostages and set off for the beach. That was when I got busy with my signals to let the pilot boat and the shore stations know what was going on."

The Matoppo is a steel screw steamer, 100 feet long and owned by the El Paso and Bucknell Steamship company, limited.

thereof." The story in question was that the story of the remaining of the lumber industry at Alamogordo and in the Sacramento mountains was a "take," designed and executed for the sole purpose of carrying the bond issue.

To Rebuild Tularosa Depot.
The El Paso & Southwestern is making arrangements to rebuild at present the depot at Tularosa, which was totally destroyed by fire Wednesday night. F. M. Clough, superintendent of buildings and bridges, was there yesterday looking over the situation. Material is being assembled now for the erection of a temporary structure.

STATE EDUCATORS TO TOUR STATE IN AN AUTOMOBILE

Santa Fe, N. M., March 21.—The following is the itinerary of superintendents of public instruction Alvan N. White and supervisor of industrial education L. C. Merzfelder in their automobile trip that will take them into 15 counties from April 2 to April 27: Beruillito, April 2; Albuquerque, April 3; Belen, April 4; Socorro, April 5; Magdalena, April 11; San Marcial, April 12; Eagle, April 13; Hillsboro, April 14; Deming, April 15; Silver City, April 16 and 17; Santa Rita, April 18; Lordsburg, April 19; Deming, April 20; Las Cruces, April 21; El Paso, April 22; Las Cruces, April 23 and 24; Alamogordo, April 25; Tularosa, April 26; Carrizozo, April 27; Captain, April 28; Roswell, April 29 and 30; Chaves county, May 1, 2 and 3; Eddy county, May 4, 5 and 6; Artesia, May 7; Roosevelt, Curry, Quay, Guadalupe and San Miguel counties, May 7 to 27.

Practically every rural district in the counties named will be visited.

ACTION DELAYED ON POWER PLANT

Water Users Council Members Wish More Time to Consider the Matter.

Las Cruces, N. M., March 21.—Thirty members of the council of the Elephant Butte Water Users' association attended a meeting held here yesterday, sessions being held both morning and afternoon.

The council deferred action upon the approval of the power contract with the U. S. reclamation service concerning the installation of the power plant in the Mesquite canal until the annual meeting. Few of the members had heard of the contract until arriving at the meeting and claimed that there was not sufficient time for consideration and investigation.

In regard to the drainage proposition, submitted to the council by the board of directors, a number of resolutions were introduced but the sense of the meeting was that the drainage proposition met with the approval of the council but that it was uninformed as to the plans and cost.

K. F. of the El Paso office of the Westinghouse company was present and gave information concerning the power plant as proposed and about other plans.

The following were in attendance at the meeting: John C. McNary, of Belen; Joseph W. Taylor, of Las Cruces; Claude Thompson, of Anthony; Lee Harlan, of Teller; Capt. Nicolas Van Gass, of Chamberino; Mike Baumert, of Dona Ana; Theodore Rouault, Jeff D. and Wm. Palmer, Jr., of Las Cruces; E. C. Stopp, of Brazito; Oscar B. Wood and Fay Sperry, of Chamberino; H. T. Williams, of Garfield; Charles Brown, of San Miguel; Lafayette Clapp, of Hatch; H. H. Holt, Numa Frenger and W. B. Mandeville, of Las Cruces; J. N. Norviel, of Salem; Albert J. Fountain, of Mesilla; James T. Mitchell and Frank T. French, of Las Cruces; Fred Hill, of Mesilla Park, and Crowder, of Chamberino.

To Hold Debate Tonight.
The debate between the Arena and Philo literary societies of the Las Cruces high school will be given tonight in the high school auditorium, between the boys and the girls. "Resolved, that the United States should give the Philippines their independence within four years" is the subject to be debated.

John C. Flemmons, of Arrey, Sierra county, was in Las Cruces yesterday attending a meeting of the council of Elephant Butte Water Users' association.

Making Four Mile Road Test.
Assistant state engineer Julius W. Johnston, who arrived here a few days ago, is having placed a second application for "tar" on a four mile stretch of road near Mesilla Park. Some of the roads about Mesilla Park were treated with an application of crude oil at the same time. At this time 10,400 gallons of tar will be used and will probably cover two miles in addition to the four miles previously treated.

The day by the members of the senior class of the Las Cruces high school will be given on April 23.

Mrs. Vernon Whiting died here Wednesday after an illness of many months. She and her daughter and sister came here about eight months ago from Powhuskie, Okla., hoping that a change

of climate would prove beneficial to her declining health. Her husband arrived here only a few days previous to her death and accompanied the remains and family back to the home town, leaving Las Cruces yesterday morning.

The Baptist Missionary society was entertained at the home of Mrs. B. T. Davis on Las Cruces avenue yesterday afternoon.

Mr. and Mrs. Edmund H. Thornton, of El Paso, visited their parents, Mr. and Mrs. W. L. Grey, in Las Cruces.

Drenth Is Broken.
Rain fell here last night. Very little rain has fallen here since last summer.

Mr. Nelson and daughter recent arrivals from Iowa, have taken the Arroyo cottage for the summer.

Robert Minton and wife, recent arrivals from Kansas, have purchased through the sales department of the Elephant Butte Water Users' association, a tract of land in the Pecoscho district and will farm and improve it.

Mr. and Mrs. A. J. Archer, of Brazito, were in Las Cruces yesterday.

The manual training department of the Las Cruces high school is making typewriter tables for the commercial department.

Mark H. Thompson, who has been in Washington, D. C., for several months as representative of the Elephant Butte Water Users' association in matters before the department of the interior and congress, will return shortly. Dr. Nathan Boyd is also in Washington on private business.

George J. Mortenson, of Las Cruces, who is in an El Paso hospital, is reported to be improving.
